DOG-FRIENDLY HOTEL BREAKS IN CRAWLEY

Why leave your pooch at home when you could bring them along on your adventures and relax at our comfortable hotel, for just £15 per night.

On the lower ground level of our hotel, we have reserved a selection of our cosiest rooms for our furry guests. As one of the best dog-friendly hotels in Crawley, we can accommodate one pooch per room, and they must weigh 40 pounds and under.

Your dog will be greeted on arrival with a pouch of Sea Snax treats. If you would like to hire one of our comfortable dog mattresses, this can be arranged for an additional cost of £5.
